

Implementation Team Request for Funds

Applicant: _____

Each implementation team has a budget to advance their work. Teachers, students, implementation team participants, and Partnership for Change Fellows are eligible to apply for funds to advance the work of the implementation team. Each implementation team will consider requests against their Goals and Objectives Report (submitted to the Steering Committee) to determine whether or not to fund requests. Please complete all fields, attaching additional documents as necessary.

Request: (Please include a detailed account of all costs associated with your request. Please also mention any matching funds you have secured to advance your work.)

Rationale: (Relate your request to the vision of the Partnership for Change initiative.)

Relationship to Team Goals and Objectives: (Please identify how your request aligns with the work being done by the implementation team.)

Dissemination: (Explain how the information gained from the expenditure will be disseminated to the Implementation Team and the Partnership for Change stakeholders.)

Should my request be accepted, I agree to abide by the financial reporting rules in line with grant policies.
